Last night, I had a dream  
 I was in a world so concrete and clean  
 G % D Dsus2  
 and the buildings so tall, no sky in between  
 A % D Dsus2  
 o I miss the trees

**Gmaj7 % D %**  
**And I sing La La La ...**

...  
**D/B % D %**  
**La la la**

And in the morning, she said to me  
 why don't you ... go climb a tree  
 and I said "OK, if you come with me"  
 Won't you come with me and climb a tree

**[chorus, then...]**

**A D**  
**won't you come with me and climb a tree**

It was a cold day late in December  
 and I hadn't bathed, since I could remember  
 but I'm up in the clouds, I'm up in my tree  
 and the rain came down and washed me clean

**[chorus, then...]**

**A D**  
**the rain came down and washed me clean**

 and she's curly and burly and pretty and strong

 and I sleep in her arms, she's all that I see
